Dear Families

I don't know how it is possible we have reached half term already but here it is! I hope you are all keeping well—the sunshine has definitely helped.

After half term, the Fernhill Primary Academy site will again be officially open. Initially to children of critical workers and then, in line with government guidance, Year R. Further details are included below but if you have any questions, please check the FAQ sheet that was sent out today and which can also be found on our website or email the school admin office.

It has been really lovely to see all the fantastic things you are doing at home so thank you for the support you are giving your children and for taking the time to send photos to the class teachers. They have really enjoyed seeing them. All home learning can be found on the school website but please let us know if you are having difficulty accessing it.

Nicky Slater, Academy Head

### Free School Meals

**Please be aware that as next week is half term, in line with Government guidance, lunch vouchers will not be provided.**

If you have not received vouchers you are expecting up to today, please contact the school admin office.

If you feel you may be eligible for Free School Meals (including children in Year R, 1 and 2), you can check online at: [www.cloudforedu.org.uk/ofsm/hants](http://www.cloudforedu.org.uk/ofsm/hants) or contact the school and we will be happy to complete the check for you.

### Star Learner

**A huge shout out to Logan in Year 2 for his super story writing this week!! He wowed his teacher with the fantastic effort! Well done, Logan!!**

If you feel you may need help or assistance from one of our Family Support Workers, the Kite Hub or access to a Food Bank, please call Kite Central Office on 01252 984930

Congratulations to Daria, who has been top of the leader board every week in lockdown! A huge well done also to: Chloe and Darla who have been in the top 3 for the last 3 weeks!!! And a massive well done to Logan and Tate who are also in the Top 5 !!!!!

# Guidance on School Reopening

Please also see the FAQs on the school website

These are just some of the measures in place when school reopens:

## Drop off and collection:

- Children must be brought to school by one parent only
- Drop off and collection times will be staggered in 10 minute slots. If you arrive late for the drop off or collection time slot, you must wait until all children have entered or left. **Key Worker children starting on June 1st are expected between 8.30 and 8.40am and can be collected between 3.20 and 3.30pm**
- All parents will be asked to wait outside the school gates on the marked socially distanced spots. No parents or visitors will be allowed on site without a prearranged appointment

## In School:

- Children can bring a lunch box and named water bottle only into school. Nothing else is to be brought in from home
- All children will be given a named learning pack containing a pencil, colouring pencils, pencil sharpener, glue stick and scissors. These items will not be shared between children and remain personal to each child.
- Children will be allocated a teaching group called a "bubble" of no more than 15 children. The adults and children in a bubble will not change and bubbles will not mix. Each bubble will have its own learning area in school and its own allocated section of either the playground or field.
- As often as possible, lessons will take place outside
- Hand washing will be frequent and supervised including on entry to school, after play, before and after lunch and at other points through out the day.
- All children will be taught about hygiene and hand washing and posters displayed through out the school as a reminder
- School lunches will be served in picnic boxes and delivered by an allocated member of staff to each bubble. All children will eat their lunch in their bubble's allocated area.
- School uniform can be worn for those parents who wish to but if you would prefer to wash your child's clothes each evening and do not have the time to dry the uniform then own clothes are fine.
- PE kits are not needed. Children are allowed to wear trainers or any other suitable footwear to school
- The school is cleaned at the end of each day and high "touch" areas such as door handles cleaned frequently during the day.

## School Dinners

There will be two daily choices (meat or vegetarian option ) each day served in a biodegradable box. All meals are served with vegetables sticks, fruit and pudding

Monday: Pork sausage rolls or Vegetarian sausage rolls served with wedges,

Tuesday: Chicken grill or Quorn burger served with chips

Wednesday: Pizza or Vegetable goujons served with diced potato

Thursday: BBQ chicken wrap or Quorn fillet served with roast potatoes

Friday: Pizzini or Quorn nuggets served with chips
