## SLOW CAN BE FAST...

ALICE MACEY 5 JUNE 2020

Last month the Tortoise beat the Hare in a race! And I will tell the story. The Hare raced as fast as he could, but he was too overconfident! The Tortoise was very slow behind the Hare. Even a snail could have passed him.

The Hare got very tired and stopped for a nap, but the nap soon became a deep sleep. The Tortoise tip-toed quietly past the Hare. The Hare sprang up and tried to beat the Tortoise!

The Tortoise won. The Hare was never mean again. And he warned other animals not to be mean, because of what happened to him. It's hard to believe but it's true! Tough endurance Tortoise.
