Dear parents and carers,

We hope you are well! It has been another busy, blustery couple of weeks here at The Ferns with the children enjoying another successful fortnight both inside and outside the classroom.

Huge thanks to families for their donations for Children in Need a couple of weeks ago– we raised over £50 for this good cause. Families also raised £155 for The Royal British Legion through our poppy sales– this is a huge amount for such a small school and your generous donations are very much appreciated.

We are also looking forwards to a very, very busy last few weeks of term– The Ferns staff team are very enthusiastic about the upcoming holidays! As you will already know, we have a school disco, the Reindeer run and Reception and Year 1 Nativity productions to look forwards to. What you won't yet know is that we also have a Carol concert planned for the last week of term– more information to follow! Our aim is to make this school the heart of the community and we have gone some way to achieving this so far this year.

Also, a huge thank you to members of the community who have come forwards to volunteer as readers for our children – your time and efforts are greatly appreciated.

So, as the distant sound of sleigh bells begins to creep closer and the tinsel gets dusted off, have a lovely weekend and thank you for all of your support.

Mr Gittins and Mr Huotari

REINDEER

We would like to extend a big thank you to Ideal Scaffolding Southern LTD and Cove Christmas Trees for their recent support of our school. Ideal Scaffolding have donated an impressive quantity of resources to enable us to kick-start a project to rebuild our benches. Cove Christmas Trees, as you have probably noticed, have kindly donated a tree that sits proudly outside the front of our great school. Thank you to both companies for your kind gestures.

Key Dates:

School Disco (more information to follow soon) - **Wednesday 11th December**

Christmas lunch day - **Wednesday 18th December**

End of term - **Friday 20th December**

Pine Class

Over the past two weeks, Pine Class has been wonderfully engaged in a range of exciting learning activities. In maths, we have been diving into the world of fractions, developing skills in comparing, simplifying, and calculating with them. The children have shown great determination in mastering these tricky concepts.

In design and technology, the class has been channelling their creativity into designing and beginning to build their very own steady hand games. This has involved planning, problem-solving, and exploring electrical circuits to bring their ideas to life.

In writing, the children have been writing vivid descriptions about the unique monsters they've designed. They've worked hard to bring their creations to life with rich vocabulary and imaginative detail.

Well done to all of Pine Class for their hard work and creativity!
